PRINCE EKINE

Full-Stack Developer Intern | Java, Python & Web Applications

+2347010698264 | PORT HARCOURT, RIVERS STATE, NIGERIA| PRINCEDAGOGOEKINE@GMAIL.COM | GITHUB.COM/PRINCEEKINE

Objective

Motivated and detail-oriented Software Engineering Intern with hands-on experience in Java, Python, and JavaScript. Skilled in backend editing, API integration, and database management. Seeking opportunities to contribute to innovative projects while growing into a professional software engineer.

Skills & abilities

- Programming: Java, Python, JavaScript, HTML, CSS
- Backend Development: API integration, database management, server-side logic
- Frontend Development: Responsive design, UI/UX basics
- Version Control: Git/GitHub collaboration
- Debugging & Testing: Troubleshooting, optimization, unit testing
- Deployment: Netlify and live environment setup
- Strong problem-solving and logical reasoning abilities
- Effective communication and teamwork skills
- Time management and adaptability in fast-paced environments
- Continuous learning and staying updated with emerging technologies

Experience

Software Engineering Intern – Disbux 2025 – *Present*

- Assisted in developing and maintaining web applications using JavaScript and backend technologies.
- Supported backend editing tasks including database updates and API integration.
- Collaborated with senior developers to implement new features and improve functionality.
- Participated in code reviews and contributed to deploying applications.

Freelance Developer – GitHub Projects 2024 – *Present*

- Built and deployed multiple applications showcasing Java, Python, and JavaScript skills.
- Designed relational databases and implemented queries with SQL.
- Created responsive web applications with HTML5 and CSS.

Education

Diploma in Software Engineering – NIIT Nigeria (Port Harcourt Centre) 2025 – *Present*

- Focused on Java, Python, HTML5, databases, and backend development.
- Completed modules in problem-solving, logic building, and software deployment.

Communication

Excellent communication skills in English and Pidgin English enable me to collaborate with clients, stakeholders, and cross-functional teams to deliver high-quality results.

Leadership

Mentor junior developers, coordinate project tasks, and implement best practices to ensure timely delivery of high-quality web applications.
